

# CELEBRATING UNITY

For the first time, on November 13, 2009, all the organisations representing the different sectors of the Malaysian oil & gas industry got together for a dinner, themed *70s Fever*, at the Kuala Lumpur Convention Centre in a show of unity and common purpose. The 80 tables were taken up by members of the Malaysian Gas Association (MGA), the Malaysian Oil & Gas Services Sector (MOGSC), the Malaysian Oil & Gas Engineering Consultants (MOGEC), Offshore Structures Fabricators Association of Malaysia (OSFAM) and the Vendor Development Program Club.
